Hello, do you think you could give this a push or I could try for contacting the director myself....

Residents on the street contacted me.

Thoughts I was jus on how we should approach this.

Since I don't work for the police department I want to be careful with not overstepping my bounds, but they did commit to putting the camera up. Thanks. Steve

Still hear gunshots in the night and early morning, Steve!

Praying for God's protection and waiting for the SKYCOP!

Good morning Major
Chandler,

Just checking back.

Were you all able to get this camera
installed?

Thanks so much for your efforts to
assist the neighbors in this area.

Gentlemen,

We are building cameras utilizing spare boxes we have in inventory. I will have one installed at Semmes/Carrington. I have a limited number but have already spoken with Lt. Patty regarding your placement. It shouldn't take more than a week or two to have it operational. Thank you.

Col Oakley,

Could MPD install a blue light camera
near the area of Semmes and Carrington?

Recent crime incidents have neighbors
very upset.

Thanks for any help or guidance for MPD
placing a sky cop in this area.

Sure appreciate your
consideration,Sir.

Someone had broken
into the house at 923 Semmes Street and my sister is
frightened and so scared!!!

Please do something!!!

While traveling to my doctor's
appointment on Kirby Parkway, I noticed that several streets
have Sky Cops on the light poles.

Yes, Steve, between Messick Road and
Poplar Pike off of Kirby Parkway, there are several streets
with the SKY COPS on the light poles. By the
way,
this is the GREENTREES SUBDIVISION.

These are the streets:

*Hickory Crest Drive

*Tangleberry Lane

*Wild Berry Lane

INTERESTING!

YES, Sir, there are many prestigious
homes in this neighborhood, yet I definitely believe
Carrington Road @ Semmes Avenue is also an area with
esteemed
homes and devoted and proud homeowners too.

Let's work to get
these SKY COPS IN THIS IMPORTANT AREA OF MEMPHIS for these
precious citizens also...THE MOUND!
